DEPARTMENT OF EDUCATION OF PORTO RICO
Office of the Commissioner

Circular Letter No. 285

February 27, 1906.

To Superintendents,

Gentlemen:-

Instead of the usual annual report which has been made on all special teachers, it is desired that you present this year such a report on Form "V", answering in addition to any general remarks on the face of the card, the questions printed on the back so far as these questions may apply to the work of special teachers. A report on this form on every American teacher and on all other special teachers is desired within the next month. In addition to this report please send me a further special report upon any American teacher whose work has been unsatisfactory or whom you consider undesirable for reappointment. This report should state specifically your reasons for such recommendation, and should be forwarded within ten days.

Respectfully,

(Signed) Roland P. Falkner
Commissioner of Education
